

2009 Environmental Stewardship Awards
Thursday, January 29, 2009
6:30 to 8:30 pm
Stuart Yacht & Country Club

Do You Know Someone Worthy?

Each year, Keep Martin Beautiful hosts the Environmental Stewardship Awards. It is an opportunity to recognize and reward notable efforts within the community to promote environmental stewardship through education and action.

Our guidelines and areas of focus are described below. We encourage you to submit a nomination and help us acknowledge the people who make Martin County such an extraordinary place to live, work and play. Self nominations are welcome.

Nomination Guidelines

Categories

- ☞ Youth and School Programs
- ☞ Non-Profit Organizations and Civic Groups
- ☞ Businesses and Business Professionals
- ☞ Government Agencies
- ☞ **Un-sung Hero** – *someone who has shown exemplary leadership, takes action and gets things done without asking for or expecting recognition.*

Areas of Focus

- ☞ **Litter and Marine Debris** – prevention, reduction and removal activities
- ☞ **Recycling Programs & Activities** - that increase recycling, promote the use of recycled materials, or reuse materials
- ☞ **Beautification & Restoration Efforts** – such as landscaping improvements, community gardens, native species replanting, exotic removals, and volunteer park maintenance
- ☞ **Neighborhood Revitalization Efforts** – community improvement efforts, such as murals, graffiti removal, repainting or restoration of buildings, signage, and other structures
- ☞ **Innovative Projects** – such as green building, energy efficiency, and other environmental initiatives that do not fall into one of the other categories

Deadline to submit nominations is November 21, 2008.

For more information contact (772) 781-1222 or info@keepmartinbeautiful.org
Nomination form also available online at www.keepmartinbeautiful.org

The mission of Keep Martin Beautiful is to preserve and enhance the quality of life in Martin County. Our goals are to prevent and reduce litter on land and water, promote recycling, improve solid waste management practices, and increase beautification efforts throughout the County.
